Terms and Conditions

Sending payment, by cheque or BACS remittance only, is the sole way to guarantee a place on either of these courses.

Tickets are priced at £120 for one day, inclusive of VAT, and booking for both days is at the discounted rate of £195 (VAT included).

No refunds will be provided for cancellations made after 10th June 2015. Changes to existing bookings, such as to add a delegate to another day, will be possible until 19th June. If a delegate has been booked for one day, they can add the other day to their booking at an extra cost of £75 so they can still take advantage of the discounted rate for the two days, subject to availability.

If Psychology Chartered postpones these training days, we will offer places on the re-scheduled date when it is confirmed first to those who had booked the postponed date at no extra cost, offer a refund or credit a place on a future training course of the same or similar cost.

We do not share your details with anyone else. However, we may contact you from time to time with details of our future training events. If you do not wish for us to contact you in the future, please let us know.

If we have sold out of the ticket choices you wanted, it is always worth contacting us to enquire if we have added any extra places.

We also reserve the right to change the programme if and when necessary. Changes to the programme do not alter the non-refundable status of your tickets after 10th June 2015.
